

Shaker Heights High School Marching Band

Care of Your Band Uniform

- Your marching band uniform costs over \$400 to replace.
- Please take good care of it so it can last many more years and you don't have to pay for a replacement!

WOOL PANTS & JACKET- DRY CLEAN ONLY

- The pants and jacket have been dry cleaned over the summer.
- If the pants or jacket get wet during a game, hang them to dry when you get home.
- If the jacket is damp from perspiration, turn it inside out and hang it to dry.
- If the pants get muddy, allow to dry and then brush off dried mud. Wipe any remaining spots with a damp cloth.
- If you spill food or drinks on your uniform, it must be dry cleaned as soon as possible so stains don't set in.

HATS

- Hats were wiped clean at the end of last season.
- If your hat needs to be cleaned, use a damp cloth.
- The inside can be wiped out with a disinfecting wipe.

REPAIRS

- Please make small repairs, ie. sewing on buttons, yourself.
- If your uniform is in need of major repair, please contact Sandy Seballos (see below).

RAINCOATS-COLD WATER WASH, HANG TO DRY

- Raincoats have not been cleaned since last year.
- To wash, put raincoat in washing machine in a cold water wash.
- Hang to dry.
- DO NOT put the raincoat in the dryer. It will melt.
