# Shaker BANDS

The Pride of Shaker Heights

## Woodbury School December 2016

### From the Band Boosters Co-Presidents

Welcome to the first Woodbury Elementary School Band Concert of the year!! For Fifth Graders, this is their first band concert and for Sixth Graders this is the continuation of the Shaker Bands tradition. Hopefully you have heard your child practicing at home and will now be amazed at how good they sound together! Communication with parents is a priority for us. There are multiple ways to stay informed:

1. [www.shakerbands.org](http://www.shakerbands.org): This is the official Band website where you can find all information on the Shaker Bands program. Here you will find information pertaining to concerts, band attire, private music instructors, updates from the directors and more.
2. Newsletters: The Fall Woodbury Band Boosters newsletter was sent home with your child last month. If you missed it, you can read it on the Woodbury Bands page of [www.shakerbands.org](http://www.shakerbands.org). There will also be a Band Boosters newsletter in every concert program.
3. Facebook: We encourage you to "like" "The Shaker Heights Woodbury Bands" Facebook page.
4. Woodnet: Watch for band announcements in the Woodnet- the weekly Woodbury e-newsletter. If you do not already subscribe to the Woodnet, you can sign up to receive it by going to <http://www.shaker.org/PTOnews.aspx>
5. Join us at the Band Boosters Meetings. Dates and times are posted at [www.shakerbands.org](http://www.shakerbands.org).
6. Your Woodbury Band Boosters representative is Elizabeth Roeder. You can contact her with questions at [roedere2001@yahoo.com](mailto:roedere2001@yahoo.com).

Since your child is in band, you ARE a Band Booster. The Shaker Band Boosters' mission is to support and enhance the school district's band programs in grades 5-12 with volunteers and financial support. In the past few years, Band Boosters funding at Woodbury has included a new recording and sound system for the band room, the name tags provided to all students for their instrument cases, financial support for the fourth grade instrument trials and, this year, covers for the amazing music books produced by the band directors. If you would like to support our bands financially by becoming a Band Patron, please fill out the form in tonight's program. Patron donations are tax deductible and you will be recognized in all future concert programs for this school year. You can also support our bands by ordering from or dining at Donatos on specific dates - see more information in this newsletter.

**The Shaker Bands ARE the Pride of Shaker Heights.** We want to thank you on behalf of the students and staff for your patronage, volunteerism, and overall support. We look forward to a very musically successful year together.

## Band Notes

### Private lessons

Private lessons are an excellent way to improve musical skills. There are many highly qualified private music instructors. A list of private instructors is available from [www.shakerbands.org](http://www.shakerbands.org) on the Woodbury Bands page, under Links on the right hand side.

### Repairs

Check instruments for any needed repairs. Rental instruments and newly purchased instruments often have a warranty repair period. For those instruments not covered by a repair agreement, Academy Music will provide a weekly pick-up/repair/delivery service through the Woodbury Band office. Make arrangements for payment and pick-up with Academy Music.

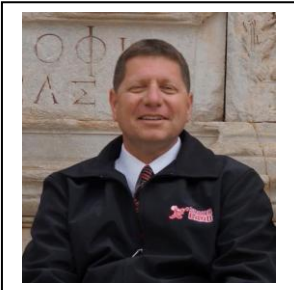

### Tools, tools, tools

Tools for your student to be more successful, regardless of his/her grade level, include the following items: a metronome/tuner, music stand, extra reeds, valve/slide oil and a cleaning kit for his/her instrument. These items can be easily purchased at your local music store.

## *From the Woodbury Band Directors*

The tradition of the Shaker Band Program is strong from Woodbury through the High School. As the primary site for band students entering the program, the Woodbury Band Department is proud to be a part of such an excellent program. At Woodbury, there are 539 students in eight concert bands and one jazz band. We look forward to making great strides with each of these bands this year.
